

400 E. LAKE MARY BLVD. SANFORD, FLORIDA 32773

**Dear parents and guardians,**

Your student is currently enrolled in a course that provides the opportunity to earn postsecondary credits while in high school.

Section 1003.02 (1)(j), Florida Statute requires that district school boards notify students and parents of the accelerated opportunities in dual enrollment and career and technical education.

Please see the attached program guide for your student's school that details the ways your student has the opportunity to earn these credits. The guide details the potential college credits students can receive as well as a calculation of the college savings associated with that particular opportunity.

Please contact your student's teacher or school counselor if you have any questions regarding these opportunities.

Sincerely,

ePathways Department

## Post-Secondary Credit Opportunities

*Seminole County Public Schools is pleased to offer our high school students with various opportunities to earn post-secondary credits while in high school. Please see the three opportunities below.*

**Gold Standard:** Secondary to postsecondary statewide articulation agreements are based on industry certifications. Any Florida student or community member with an industry certification on the “**Gold Standard Career Pathways**” Articulation Agreements of Industry Certifications list [here](#) is guaranteed college credit at Florida state colleges offering the specified articulated programs.

**Career Pathways:** Also, **Career Pathways** is a cooperative effort between local state colleges and SCPS that allows students to prepare for college and a career. The pathways are available in more than a dozen high school disciplines and are tied to career programs at these local institutions.

**Dual Enrollment:** Finally, **career and academic dual enrollment** opportunities are available for your student in the various CTE programs.

Below are the current course offerings for Oviedo High School that meet the Gold Standard, Career Pathways, and/or Dual Enrollment Opportunities should your student pursue this career field.
