Congratulations to the SGA Officers

Nicole Garrow - President

Hannah Warner - Vice President

Carly O'Donnell - Treasurer

Shay Buckman - Secretary

Lilly Johnson - Historian

Tal Kanistras- Parliamentarian

Congratulations to Kyra Henriques!

Kyra earned 2nd Place in the Chemistry category at the Regeneron International Science & Engineering Fair in Atlanta, GA. Her project addressed the microplastic pollution problem in marine environments. By using oil to get the smaller plastic pieces into larger clumps and then magnetizing them with iron so that they could be taken out using a strong magnet, she was able to filter out the pollutants far better than current methods. To apply her findings, Kyra designed and created an automated prototype showing how it might work on ships. The ingenuity of her project also earned an award from the U.S. Patent Office and a full scholarship to the Florida Institute of Technology. In a separate competition, she was also awarded 3rd Place in the Stockholm Junior Water Prize for her same work.

Congratulations to Spencer Mallott!

Spencer submitted a paper presentation proposal to present his independent scientific work at an undergraduate conference. His proposal was accepted, and on April 29th, Spencer gave the paper presentation to an audience of undergraduates and faculty from across the country at the Center

for Interdisciplinary Writing and Research Virtual Undergraduate Research Conference. The title of his presentation was, Sensory-Sensitivity or Subtype of OCD? Following the Evidence Toward Understanding Misophonia.

Class of 2023

Hello College-bound Rising Seniors and Parents,

Oviedo High School is pleased to be providing two FREE resources to you this summer to aid in your essay development and college applications.

The first is a **College Application Seminar**, being held live and in person at Oviedo High School, on Wednesday July 20th from 10am until 1pm. A flyer with more information is attached, or you can navigate to [this website](#) for full information. Registration is required.

The second is an **Essay/Personal Statement Bootcamp** run virtually through a free partnership with College Essay Guy. Students can select from multiple day/time offerings to fit their schedules. Oviedo High School has elected to opt-in to this free (no, it's truly free) opportunity but students must register themselves. Another flyer with information is included. Students will need to navigate to [this website](#) to register. The name of the school or organization will be "Oviedo High School".

Rest assured, your student will continue to receive ample support from their school counselors and our amazing Senior English teachers in regards to these areas. We think that if we can provide access to resources that will help your student during the summer, then we can provide more targeted information and assistance come fall. Students who start early are more relaxed and feel better prepared moving into the college application experience. As always, we appreciate your feedback and support.

Let's have the best College Prep Summer ever,
Mrs. Vosburg (with enthusiastic and unwavering support from Dr. Daniel)

Athletics Update – Athletic Director Jen Darty

All students interested in participating in Athletics for the 2022-2023 MUST update their athletic clearance for the new school year. All student-athletes must log in or create an account on www.AthleticClearance.com and submit an FHSAA/SCPS EL2 Sports Physical, Electrocardiogram (ECG), Proof of Insurance, Birth Certificate, Parent/Guardian Driver's License, FHSAA/NFHS Concussion in Sports Video Certificate, FHSAA/NFHS Heat Illness Video Certificate, and FHSAA/NFHS Sudden Cardiac Arrest Video Certificate. This information must be updated and made current for the 2022-2023 school year – clearances submitted as a part of the 2021-2022 school year will not apply after the last day of school (May 25, 2022). **To participate in any athletic activities at Oviedo High School, you must gain clearance through this process.** For more information on **athletic eligibility** along with full clearance instructions, visit: <http://www.oviedo.scps.k12.fl.us/athletics/eligibility.stml>.

Information on **summer workouts & tryout information** can be found in the attachment or on our website here: <https://oviedo.scps.k12.fl.us/resources/2022-23-summer-tryout-information.stml>

We are also offering **Youth Sports Camps** in Cheer, Softball, Baseball, Wrestling & Girls Volleyball. More information on each can be found on our school website here: <https://oviedo.scps.k12.fl.us/resources/youth-sports-camps-ohs.stml>.

Have a great summer & GO LIONS!
